# Explosion Protection

Electrical and lighting products designed and approved worldwide for safety in harsh surroundings

Series e865

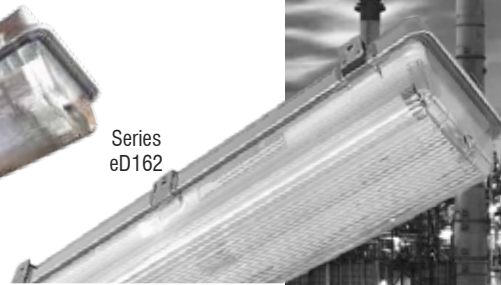

Explosion-Protected LED-Light Fitting for Zones 1 and 21

Series e840

Explosion-Protected Light Fitting for Zones 1, 21 and 2, 22

Series eD162

Explosion-Protected Light Fitting for Zones 2, 22 Series

## FITTINGS

## CONTROLS

## CONTROLS

## PLUGS & RECEPTACLES

## BOXES

## LIGHTINGS

# Cables & Cable Management

Diverse high quality cables designed to provide stable and dependable connection for all industries

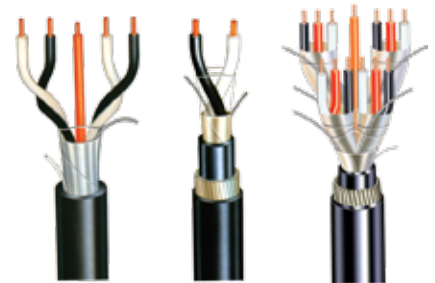

## CONTROL & POWER CABLES

Control Cables  
VFD Motor Cables  
Power Cables  
Security Cables  
Single Core Cables  
Heat-Resistant Cables  
Rubber-Sheathed Cables  
Data and Computer Cables  
Renewable Energy Cables

## INSTRUMENTATION CABLES

Overall Screened  
Individually & Overall Shield  
Triad Over Shield  
Triad Over Shield with SWA

## FIRE RESISTANT CABLES

Single Core  
Fire Resistant Cable, XLPE Insulated,  
LSZH Outer Sheath, Cu/Mica/XLPE/LSZH - 0.6/1kV

## MEDIUM VOLTAGE POWER CABLES

XLPE Insulated, PVC Sheathed Power Cable

# Cables & Cable Management

Diverse high quality cables designed to provide stable and dependable connection for all industries

## LOW VOLTAGE POWER CABLE

0.6/1kV Copper Conductor  
XLPE / PVC

0.6/1kV Copper Conductor  
XLPE / PVC / SWA / PVC

## MARINE CABLES

LKSM-HF  
Armoured power and  
control cable 0.6 / 1kV

LKSM-FRHF  
Fire-resistant armoured power  
and control cable 0.6 / 1kV

RFE-HF  
Armoured instrumentation and  
communication cable 250V

## CABLE TRAYS

Ladder type

Continuous or perforated base

## CONNECTORS, PLUGS & SOCKETS

U.K.

## CABLE CLEATS

## CABLE GLANDS

**WISKA**  
make power smile  
GERMANY

## COMBI BOX & CABLE GLANDS

**PENNUNION**  
U.S.A.

## CONNECTORS

## TERMINAL LUGS

# Cables & Cable Management

Diverse high quality cables designed to provide stable and dependable connection for all industries

## McGILL™ BUILD BEYOND BOUNDARIES
